Export control

The Supplier will immediately notify TNO if it is prescribed by export control laws and regulations within the context of the Agreement that an export or import licence is required from a government or any other government body or if the execution of the Agreement is otherwise restricted or prohibited by export control laws and regulations. 'Export control laws and regulations' as referred to in this article should be interpreted as all EU and USA laws and regulations applicable at the time for the regulation of export and import of military goods and dual-use goods (together also referred to as 'strategic goods') and chemical substances and also countries or persons
